

# International Conference on Chronic Pathologies

5th - 6th of October 2019

For medical professionals

The conference will provide a platform to share cutting-edge scientific findings and practical information in an hands-on approach.

It dedicates to create a stage for exchanging the latest ideas and perspectives.

Over the course of 2 days the series of talks, discussions and networking will keep participants engaged in learning and making new connections.

The structure involves discussions and questions at the end of each presentation.

## Cost

180,- € includes the 2 day conference with catering networking dinner on saturday evening (additional 49,- €)

**Live Music by Dietrich Klinghart, supported by Jürgen and Armin**
